

ACCA Qualification

Building future leaders in Finance

ACCA Qualification

Association of Chartered Certified Accountants

ACCA is the global body for professional accountants, offering business-relevant, first-choice qualifications to people of application, ability, and ambition around the world who seek a rewarding career in accountancy, finance, and management.

About ACCA

The ACCA has a worldwide reputation for excellence and their rigorous qualifications are recognised and respected across the globe. When you join ACCA, you become part of a diverse body of more than 219,000 members and 527,000 students in 179 countries.

Global recognition

The ACCA qualification's global recognition allows you to study and work in any location at your convenience.

Work in any industry

The ACCA qualification is relevant to all areas of accounting and finance so you can work in many different financial roles in any industry.

Cost-effective qualification

Gain a globally recognised ACCA qualification and the opportunity to earn a BSc (Hons) Professional Accountancy from the University of London through one integrated and cost-effective study pathway, with progression opportunities to an MSc.

Insiyah Ujjaini ★★★★★

"Phoenix is a truly enriching place for me... ACCA at Phoenix is the best course after all, if you really want to improve your way of thinking and mindset."

YOUR ACCA Student Journey

1

Starting Point

Just finishing high school?
Start out your journey by taking the first
3 ACCA papers: The Applied Knowledge
level (BT, MA & FA)

6 months

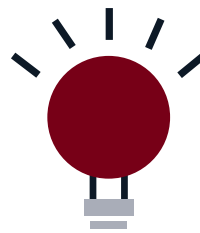

Applied Skills

Having done your introductory
papers, you will now venture into
the remaining 6 fundamental papers,
some of them being extensions of
your Applied Knowledge level
(e.g. FR is an extension of FA).

12 months

2

3

University of London

After passing FR, TX, and AA at the Skills Level,
you become eligible to undertake three BSc
modules (aligned with PM, FM, and the Research
Project Module), leading to a BSc (Hons) degree
in Professional Accountancy.

6 months

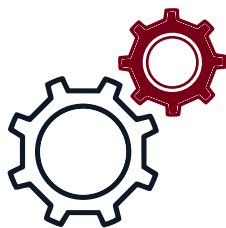

**ACCA****GLOBALLY
RECOGNIZED
PROFESSIONAL
ACCOUNTANT**

Strategic Options

At this stage, you will have a good understanding of your likes and dislikes within the industry and based on that you will choose 2 Professional level papers out of 4 options (AFM, APM, AAA, ATX) to finish off your qualification.

6 months

5

4

Strategic Essentials

You have just begun your final stretch in the ACCA qualification, where all that is remaining is your Professional level papers, which you will be starting with the Strategic papers (SBR & SBL).

6 months

Our ACCA Training Process

Tuition	PhoenixFT's qualified and experienced tutors use interactive methods to teach the challenging curriculum, supported by PhoenixFT study notes that are exam-focused and easy to use.
Revision	Our intensive 3–4 day revision phase focuses on understanding exam requirements, mock allocation, and answer approach. Practice on past paper questions is emphasised to ensure students are exam-ready.
Final Mock Exam	Students solve exam standard questions under exam conditions and receive detailed tutor feedback on their performance.

Meet the Tutors

Nikhil Vachani

Nikhil is our Managing Director, Senior Lecturer and a specialist trainer in Financial Accounting, Corporate Reporting, and Taxation across all levels of ACCA. Nikhil is a fellow member of the ACCA and UAECA. Prior to joining PhoenixFT, Nikhil was an auditor at KPMG UAE and was involved in the audit teams of companies in the infrastructure, government, and health care sectors.

Vignesh Sivakumar

Vignesh is our Operations Director. He specialises in Corporate Finance, Business Strategy, and Performance Management. In addition to having completed the three levels of CFA, Vignesh is ICAI, ACCA, CIMA, CMA, and ACT qualified. He is an experienced marker for professional exams and has trained many prize-winners, including those who secured global high scores in the past.

Preethy Joseph

Preethy Joseph is a senior lecturer with PhoenixFT and an ACCA member. Having worked with KPMG for a couple of years as part of their Audit and Assurance team, Preethy is well-versed in Audit both practically and theoretically. She specialises in Audit, Financial Management, and Management Accounting.

Rona Ninan

Rona is ACCA qualified and teaches ACCA, CIMA and CFA. She has taught since 2014 and has experience in the Gulf and India. Rona teaches areas such as Business Strategy, Ethics, and Law. She previously taught in the Phoenix India centre and has been very successful in working closely with and supporting students in getting through their exams.

Meet the Tutors

Sarah Kelani

Sarah is ACCA qualified with previous professional experience in a 'Big 4' auditing firm before joining PhoenixFT as a lecturer in 2015. Sarah specialises in Financial Reporting and Audit, bringing her professional experience into the classroom to demonstrate the practicality of the ACCA syllabus while focusing on the best ways to pass the exams.

Fran Saunders

Francesca is an ICAEW member with an ACA qualification. She specialises in Financial Accounting, Corporate Reporting, and Taxation across all ACCA levels. With 6 years of audit experience in the UK working with multinational organisations, Francesca brings real-world insights into her engaging classes, which have consistently delivered above-average pass rates.

Sanjay Sagar

Sanjay has been teaching at PhoenixFT since 2013 and specialises in Management Accounting, Financial Management, Corporate Finance, and Treasury & Portfolio Management. Sanjay has been a prize-winner in Financial Management and is also involved in professional exam grading for one of the largest global accountancy qualifications.

Abby Ravindran

Abby has been working with PhoenixFT since 2019. She currently teaches the Financial Accounting and Taxation papers of the ACCA qualification. As described by her students, Abby is passionate and very approachable. She always strives to create a positive classroom experience, helping her students become happier, faster learners.

Meet the Tutors

Mustufa Ali

Mustufa is an ACCA qualified accountant with several years of experience in accounting and financial modeling. He teaches the BT, FM, and SBL papers of ACCA at PhoenixFT. Along with this, he has a Master of Microsoft Excel, which he also teaches students. Prior to joining PhoenixFT, he worked in the industry where his primary focus was report automation. He is here to make your classroom experience fun and valuable.

Rochelle Dsa

Rochelle is CA (ICAI) qualified and has been teaching since 2017. Having previously taught in India for various academies, she has been very successful in guiding students throughout their exams. She aims to provide the best learning experience to the students by combining her knowledge with her passion and love for the topics.

Ann Pius

Ann is ACCA qualified and specialises in Business Strategy, Performance Management, and Management Accounting. She previously taught in Phoenix India Centre for 3 years. Her willingness to go the extra mile to support students on subject-specific matters, as well as her approachability, is appreciated by students.

Nandini Balaji

Nandini is ACCA qualified and specialises in Audit and Assurance. Having previously taught in other institutes, her simple structured approach easily conveys nuances of the topics to the students. With a strong academic background, Nandini's interactive classes prepare the next generation of auditors and assurance professionals for the practical world. Previously, Nandini was an auditor with EY and was involved in the audits of various sectors.
