

ACCA Qualification

Association of Chartered Certified Accountants

ACCA is the global body for professional accountants, offering business-relevant, first-choice qualifications to people of application, ability and ambition around the world who seek a rewarding career in accountancy, finance and management.

About ACCA

The ACCA have a worldwide reputation for excellence and their rigorous qualifications are recognised and respected across the globe. When you join ACCA, you become part of a diverse body of more than 219,000 members and 527,000 students in 179 countries.

Insiyah Ujjaini

"Phoenix is a truly enriching place for me... ACCA at Phoenix is the best course after all, if you really want to improve your way of thinking and mindset!"

→ Global recognition

The ACCA qualification's global recognition allows you to study and work in any location at your convenience.

→ Work in any industry

The ACCA qualification is relevant to all areas of accounting and finance so you can work in many different financial roles in any industry.

→ Cost-effective qualification

ACCA is a cost-effective professional qualification with optional Oxford Brookes BSc degree program and MSc top-up programs.

STUDENT JOURNEY

1 STARTING POINT

Just finished high school, starting out your journey by taking the first 3 ACCA papers: The Applied Knowledge level (BT, MA & FA)

6 months

2 APPLIED SKILLS

Having done your introductory papers, you will now venture into the remaining 6 fundamental papers, some of them being extensions of your Applied Knowledge level (e.g.: FR is an extension of FA)

12 months

4 STRATEGIC ESSENTIALS

You have just begun your final stretch of the ACCA qualification, where all that is remaining is your professional level papers, which you will be starting with the strategic papers (SBR & SBL)

3 OXFORD BROOKES UNIVERSITY

After finishing your Fundamental level papers, you are now eligible to write a research and analysis report that qualifies you for a BSc in Applied Accounting

6 months

6 months

6 months

5 STRATEGIC OPTIONALS

At this stage, you will have a good understanding of your likes and dislikes within the industry, and based on that you will choose 2 professional level papers out of 4 selections (AFM, APM, AAA, ATX) to finish off your qualification.
