

CIA Certification

Certified Internal Auditor

The Certified Internal Auditor (CIA) is the world's only globally recognized certification for internal auditing, awarded by The Institute of Internal Auditors (IIA).

Whether you are starting out or stepping up, the CIA equips you with future-ready skills—empowering you to grow with confidence and lead with impact.

Who Should Pursue the CIA?

The CIA is designed for:

- Internal and external auditors
- Accounting and finance professionals
- Risk, compliance, and governance specialists seeking career advancement

It is also well-suited for fresh graduates entering the audit profession and working professionals looking to deepen their expertise and stand out in a competitive market.

By earning the CIA, professionals gain the skills, confidence, and recognition to progress into leadership roles and make a meaningful impact within their organizations.

Global recognition

The CIA designation is recognized in over 190 countries, setting the global standard for internal auditing, risk management, governance, and compliance professionals.

Professional Credibility

Earning the CIA enhances your professional credibility by demonstrating strong expertise in internal controls, risk assessment, and governance—skills highly valued across industries.

Career Growth & Mobility

The CIA opens doors to diverse career opportunities and leadership roles, increasing career mobility and long-term earning potential in audit, risk, and compliance functions.
